2024 Summer Travel Teams Northeast Ohio (NEO) Mighty Ducks

Man Up Lacrosse LLC is focused on having athletes develop their game year round to compete at the highest level possible. We believe that dedicated and relentless hard work will not only increase player fundamentals and athletic ability, but will also help these athletes grow as men and learn the true meaning of leadership. We will take this additional time over the summer months to work to make each player better than they were when they arrived. We are committed at Man Up Lacrosse LLC to do whatever it takes to not only grow the game of lacrosse in northeast Ohio, but to honor it as well.

Travel teams serve two main purposes. The first is to truly showcase each player's talent to college coaches in hopes to achieve a spot on a college roster or to earn an athletic scholarship. All attended tournaments will have numerous collegiate coaches on hand scouting for the upcoming years. The second reason is keep a stick in your sons' hand year round giving him a greater opportunity to become a better all around player.

Each team will be comprised of no more than 24 players and a minimum of two qualified coaches. Each team will have a minimum of 10 practices and will play a minimum of 12 games spread over three tournament events.

Three tournaments will be chosen for the 2024 Summer season.

Tournament 1 – Likely to return to the Clash in Canton in June of 2024

Tournament 2 – Will return to two of the three events in either Cincinnati, Erie, and Edwardsville

Tournament 3 – Will return to two of the three events in either Cincinnati, Erie, and Edwardsville

Expected Travel Teams for Summer 2024

“Varsity” Select Team: High School graduation years of 2024/2025 (Up to two 2024 players if eligible)

“Junior Varsity” Select Team: High School graduation years between 2025 – 2027

If enough players are interested, we will create a third team which will alter the aforementioned groups.

Team Try Outs: It is highly recommended to all players interested in playing on the Summer team play in our indoor leagues and simply notify one of the many coaches that you're interested. We will then use your time during these indoor leagues as your 'try out.' If the number of players interested in joining exceeds the number of roster spots available, a late Spring tryout would occur.

Cost to Participate: \$850 per player. This fee covers the costs of tournament registration, insurance fees, uniform depreciation fees, field rental for practices, equipment overhead, coaches travel fees, and coaching staff stipends. This fee does not cover, nor is Man Up Lacrosse responsible for, travel expenses of families or players. Fee can be paid all at once or in two installments due April 15, 2024 and May 31, 2024. This is the first price increase in three years for the Ducks and we have locked this new price in for the next **three seasons**.
